# ENTRANCE MATS

- Ideal for indoor/outdoor use at commercial entrances.
- Available in 19 colors with choice of classic rubber border or fashion fabric border.
- Bi-level design scrapes dirt and moisture from shoes, trapping it in the mat to prevent tracking. Can hold up to 1.5 gallons of water per square yard!
- Water damn border stops dirt and moisture, keeping floors clean and dry.
- Durable - Reinforced rubber nubs prevent pile from crushing, extending the mat life.
- Stain-resistant - Solution-dyed PET fabric resistant to staining, dries quickly, and will not fade or rot.
- Eco-friendly - Made from PET, 97% recycled plastic. The SBR rubber backing contains 20% post-consumer recycled rubber from car tires.
- Safe - Available with black rubber or fabric borders with a beveled edge that ensures a safe transition from floor to mat. Certified high-traction by the National Floor Safety Institute (NFSI).
